

FOCUS GROUP SCHEDULE

In the search for a new rector, a thoughtful, thorough parish self-assessment is an essential element. To that end, the Search Committee has organized a series of focus group sessions to give parishioners an opportunity to talk about their hopes, dreams, and visions for St. Alban's and for its next rector. The sessions are facilitated by trained parishioners. The information emerging from the focus groups is carefully captured and compiled and will be incorporated in the Parish Profile.

Several focus groups have already met and valuable information has emerged. But we need more!! The Search Committee encourages all parishioners to take part in this discernment process. There are lots of options for date and time and child care is offered for many of the sessions. They will continue till mid-September. Please sign up in the Narthex.
